\$5,000*

*Signature Sponsor
\$2,500*

*Spotlight Sponsor
\$1,500*

*Entertainment Sponsor
\$500*

For over fifteen years, Medical Home Plus {MHP} has served thousands of children with special needs and their families. Join us and help empower more children throughout Virginia.

All proceeds from this event benefit Medical Home Plus. MHP helps parents successfully navigate the system of care and find local resources available to them on behalf of their children. More often than not, families of children with special health care needs feel overwhelmed and are not sure how to enter into the process of obtaining a network of supports and resources.

MHP employs parents successfully navigating the system of care for their children, and serves as a hub for families and professionals alike who are seeking information and support for these special children.
